Classes suitable for 5 to 13 yr old

Cost is \$66 per session, includes all materials, morning or afternoon tea and GST. Fees are payable to secure your place.

If your child is staying the full day, please provide lunch.

There is no extra charge for supervision for the lunch break.

Morning session: 9 am -12 pm - Clay Pinch Pot Pets

Explore the art element Form as you create a simple pinch pot. Learn how to see the simple shapes that make up the objects around us. You'll use rolling, scoring, scratch-attach and coiling techniques to add details to your chosen animal. Owls, dogs, cats, bears, birds - what will you create?

Afternoon session: 12.30 pm-3.30 pm - Animals and their Habitats

Did you know Canberra has many vulnerable and protected species? Explore the world's animals and their unique habitats in a fun 'jar' format. We'll use metallic pencils, chalks and collage elements as we learn about symmetry, contrasting colour and focal points while also discovering interesting animal facts.
